Aims & Scope : "JK Science" is a multi-disciplinary, peer reviewed, open access medical journal being published quarterly from Jammu, J&K. It is a step & endeavour to satisfy the professional quest, collect & disseminate medical information & scientific knowledge about various current medical problems, update & increase the interaction among the medical fraternity in the larger interest of the suffering mankind. Besides other medical literature, this journal contains Editorial, Review Articles, Original Articles & various interesting Case Reports. "JK Science" promises to be an important medical communication and journal of scientific excellence in the field of medicine.

Copyright & Photocopying : Contents of this journal are protected by copyright. Publication can be reproduced, stored or transmitted in any form or by any means only with written permission of the Editorial Board.

Subscription & Business Correspondence : "JK Science" is published four times in a year. Annual subscription rate for individuals is Rs. 450/- (Domestic) and US \$ 80 (for other countries) and for Hospitals/Libraries/Institutions is Rs. 600/- (Domestic) and US \$ 100 (for other countries). Bank Drafts should be sent in the name of "JK Science" payable at Jammu (J&K). Advertisements are welcome, however they will be published subject to the availability of the space.

Computer Execution & Printing : Deepak Rattanpal & Ravinder Kumar at Durga Printers, 4, Gowshalla Complex, Ambphalla, Jammu-180 001.

"JK Science" is printed, published & edited by Dr. Annil Mahajan at Jammu (J&K) India
